

NEW ORLEANS PUBLIC BELT RAILROAD

UPCOMING PROCUREMENT OPPORTUNITIES

The list of upcoming procurement activities shown below is only a tentative schedule. Vendors are encouraged to check the procurement website for official advertisements and important bid deadlines. More information and bid documents (plans and specifications) for New Orleans Public Belt Railroad Corporation (“NOPB”) are available at www.railnola.com under “PROCUREMENT.”

The NOPB adheres to the 1974 Louisiana State Constitution, and Louisiana State law including its bid laws and procurement regulations. In that spirit, NOPB strongly encourages maximum participation in all bids by certified and qualified disadvantaged business enterprises (DBEs) and small business enterprises (SBEs) as prime contractors and subcontractors, construction related service providers, and construction material suppliers, as long as the certification programs are race and gender neutral.
