Public Notice and Certification to Convene Virtual Board Meeting April 22, 2021

The New Orleans Public Belt Railroad Commission for the Port of New Orleans has scheduled a Regular Monthly Board meeting for Thursday, April 22, 2021. This meeting must occur in order to ensure continuity of business operations regarding time-sensitive action items for Board review and approval.

On March 11, 2020, the Governor of Louisiana issued [Proclamation 25 JBE 2020](#), declaring a Public Health Emergency in response to the COVID-19 outbreak in Louisiana. The COVID-19 Public Health Emergency was subsequently extended by [Proclamation 67 JBE 2021](#) to be effective through April 28, 2021.

The Board hereby certifies that in order to ensure the presence of a quorum of board members, which would otherwise not be possible under the present circumstances, it is necessary to conduct the meeting on Thursday, April 22, 2021 in a virtual setting. The Board further certifies that the April meeting will be limited to one or more of the following: matters directly related to the Board's response to the current public health emergency, matters critical to the continuation of business, and matters that if delayed, will cause severe economic dislocation. Therefore, in accordance with [La R.S. 42:17.1 et seq.](#), and in consideration of the safety and well-being of the Board's members, staff, and communities directly impacted by the COVID-19 Public Health Emergency, the Board's April meeting will convene remotely, via Zoom videoconferencing.

Agenda-related and general public comment may be submitted during the meeting either verbally, or by using the Zoom Chat feature. Agendas, as well as the link to access the public meeting livestream, will be posted on the [RailNOLA](#) Board website and distributed to our public notification list, no later than 1:30 p.m. on Wednesday, April 21, 2021.
