

## **UPCOMING MAJOR PROJECTS**

Below is a tentative schedule of upcoming major procurement activities for the Board of Directors of the New Orleans Public Belt Railroad Corporation (Board). The list includes the projected month of advertisement of public works projects and requests for proposals for services. Projects are subject to change, so vendors are encouraged to regularly check the Board's website at [www.railnola.com](http://www.railnola.com) under "Procurement". Companies should consider registering on the website under "Procurement" to join our vendor database to receive notifications.

The Board adheres to the 1974 Louisiana State Constitution, and Louisiana State law including its bid laws and procurement regulations. In that spirit, the Board strongly encourages maximum participation in all bids and proposals by certified and qualified disadvantaged business enterprises (DBEs) and small business enterprises (SBEs) as prime contractors/consultants and subcontractors/sub-consultants, construction related service providers and construction material suppliers if these certification programs are race and gender neutral.
